Provider Profile

Information provided by the provider describing their agency:

My name is John Samiotes. I have a B.A. from Northeastern University, an M.S. from the University of Bridgeport and did further graduate study at the University of Connecticut. I have been providing clinical behavioral supports to people with intellectual disabilities for 28 years across a wide range of disability levels. My services include functional behavioral assessment, developing and implementing behavior plans based on positive behavioral supports. I have supported individuals with a variety of conditions including behavioral and mental health issues as well as a particular interest in individuals with autism.
